RE: Arrival and Health Requirements

Bulls may arrive after 12 noon on Tuesday, March 6 and MUST be in place no later than 3 p.m. on Wednesday, March 7

All bulls must be fertility tested and scrotal measurements listed on BSE or health certificate. Health work shall also include brucellosis test unless from a certified bangs free herd.

All bulls must have a negative test for trichomoniasis. The trich test can take 7-10 days to get results— so test them soon.

All bulls MUST have pedigree, photos and EPD information for the sale catalogue in the sale managers hands by Wednesday, February 15.

Bulls must arrive in top condition— buys expect them to hit the fields ready to breed. Bulls arriving in unsuitable condition, poor quality or unruly will be eliminated from the sale offering. Bull must meet the minimum weight requirements or they will be eliminated from the sale.
